

News vocabulary match-up

NAVIGATING THE NEWS

Match the word to the correct definition.

Journalist	The text identifying who owns a photo or image
Headline	Where the news has come from: the person, organisation or document that has supplied the information being reported by the journalist
Lead paragraph	The people who decide what stories to include in the news
Columns	A number fact that summarises information from a lot of data, often used by journalists to provide evidence for what is being reported
Caption	A person who writes news reports for newspapers, television or the radio
Photo credit	The title of a news story, designed to grab the reader's attention
Article	The exact words of a person, placed in quotation marks. They are included to give the reader the viewpoint of someone involved in the story.
Quotation	The vertical blocks of text into which a page of a newspaper is divided to make it easier to read
Statistic	The important first sentence or paragraph of a news report that summarises the story
Source	Information next to a photograph that explains what the picture is about
Editors	A piece of writing found in a newspaper or magazine, for example, a news report, interview or an opinion piece
